"It was a thrill and an honor to produce Bob's directorial debut," said **Jane Rosenthal**, CEO & Co-Founder, Tribeca Enterprises, and producer of *A Bronx Tale*. "It's hard to believe it's been 30 years. Calogero's story is as relevant as ever, and I'm proud that we are able to reintroduce this film to a new generation of viewers."

I am thrilled to see the new restored 4K version of *A Bronx Tale*, said **Palminteri**. "As an actor and writer, *A Bronx Tale* was the spark that lit my career from the One Man Show to the making of the movie. I was blessed to have Robert De Niro direct my script and make a perfect film that will last for generations to come.

To close this year's Tribeca Festival, there will be a special 30th anniversary screening of the film on Saturday, June 17. After the film, **Robert De Niro**, **Jane Rosenthal**, and **Chazz Palminteri** will participate in a live conversation with **David Remnick**, editor of *The New Yorker*.
